

The Disney Series 2 figures are mostly quite easy to identify, as they don't share many common elements beyond the torsos and legs. Five figures have inner plastic bags holding special elements, and these bags are very loud and obvious. These figures are noted, since they serve as a good way to narrow your search down quickly.

01 Vintage Mickey

Key element:
Ship's Wheel

4x
quantity
per case

The large ship's wheel is one of the easiest pieces in the series to find. Make sure to find the Technic pin in the center to distinguish it from Elsa's snowflake.

02 Vintage Minnie

Key element: Skirt

4x
quantity
per case

The wavy skirt is hard plastic in a shallow, hollow cone shape with irregular sides. Find the life preserver to confirm.

03 Huey

Key element:
Book Cover

2x
quantity
per case

The book cover is a rectangle that is perfectly flat on both sides. It has one thick edge.

04 Dewey

Key element:
Slingshot

2x
quantity
per case

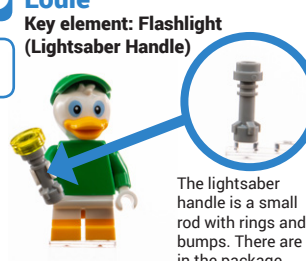

The slingshot is a small Y-shaped rod. There are 2 in the package, but not many other parts.

05 Louie

Key element: Flashlight
(Lightsaber Handle)

2x
quantity
per case

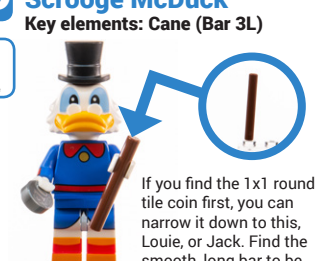

The lightsaber handle is a small rod with rings and bumps. There are 2 in the package.

06 Scrooge McDuck

Key elements: Cane (Bar 3L)

4x
quantity
per case

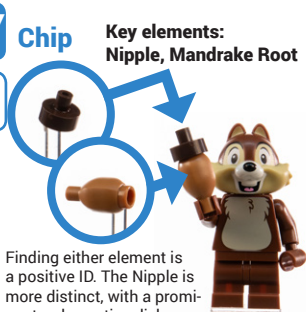

If you find the 1x1 round tile coin first, you can narrow it down to this, Louie, or Jack. Find the smooth, long bar to be sure.

07 Chip

Key elements:
Nipple, Mandrake Root

4x
quantity
per case

Finding either element is a positive ID. The Nipple is more distinct, with a prominent rod on a tiny disk.

08 Dale

Key element:
Sack

4x
quantity
per case

The sack is difficult to ID. It's a bulbous, round shape with a small handle on top. Find the flat, indented bottom to confirm.

09 Elsa

Key element:
Snowflake

4x
quantity
per case

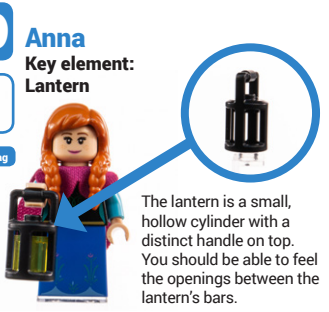

Feel for the 6 spokes on the snowflake, and be sure there's no Technic pin in the middle, as with Mickey's ship's wheel.

10 Anna

Key element:
Lantern

4x
quantity
per case

The lantern is a small, hollow cylinder with a distinct handle on top. You should be able to feel the openings between the lantern's bars.

11 Jafar

Key element:
Cobra Staff

3x
quantity
per case

The staff is very long with a distinct crook at one end. Find the dress slope to be extra certain.

12 Jasmine

Key element: Bird

3x
quantity
per case

Jasmine can be difficult to ID. Find the bird by its distinct tail and the large, round anti-stud on the bottom.

13 Hades

Key element:
Smoky Toga

4x
quantity
per case

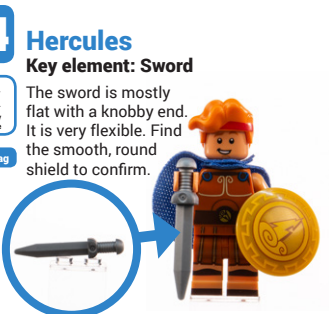

The smoky toga element is one of the largest pieces in the series. Find the giant lump and then feel for the smooth, sloping sides and hip studs.

14 Hercules

Key element: Sword

3x
quantity
per case

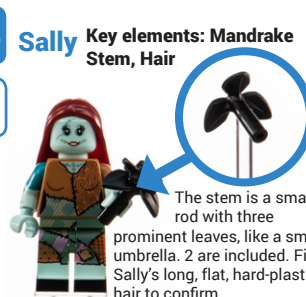

The sword is mostly flat with a knobby end. It is very flexible. Find the smooth, round shield to confirm.

15 Sally

Key elements: Mandrake Stem, Hair

3x
quantity
per case

The stem is a small rod with three prominent leaves, like a small umbrella. 2 are included. Find Sally's long, flat, hard-plastic hair to confirm.

16 Jack Skellington

Key elements:
Gift box, 2x2 Tile

3x
quantity
per case

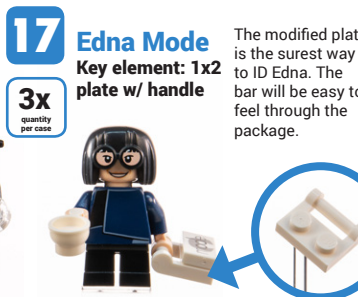

The box is a hollow 2x2 brick. Find that or the 2x2 tile for a positive ID.

17 Edna Mode

Key element: 1x2 plate w/ handle

3x
quantity
per case

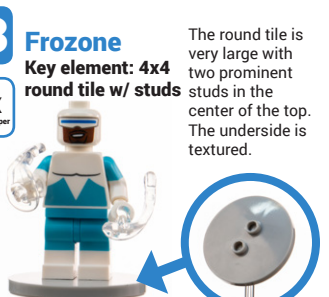

The modified plate is the surest way to ID Edna. The bar will be easy to feel through the package.

18 Frozone

Key element: 4x4 round tile w/ studs

4x
quantity
per case

The round tile is very large with two prominent studs in the center of the top. The underside is textured.
